

Cannibal Creek Vin de Liqueur 2011

Description

Cannibal Creek 'Sticky' is based on the French fortified grape juice "Pineau des Charentes", most commonly the creation of an artisan in the French countryside as apart from big business. This appealed to us at Cannibal Creek and the Cannibal Creek 'Sticky' tradition has begun. Cannibal Creek 'Sticky' displays the lovely cherry and berry flavours of the pinot noir juice as well as the toasty caramel characters of the wood aged brandy and can be enjoyed as an aperitif or as a dessert wine.
