ABOUT CANNIBAL CREEK

Nestled just an hour east of Melbourne, Cannibal Creek is a boutique, award winning single estate winery set on approximately five hectares of vines in the lush Tynong Valley.

The winery's architect-designed wedding space is crafted with reclaimed timber and jarrah bar accents, creating a warm, sophisticated atmosphere for both intimate ceremonies and stylish receptions. Inside, floor-to-ceiling windows frame the scenic surroundings, with comfy lounges by the fire and an inviting veranda for outdoor gatherings.

WHAT'S INCLUDED

Ceremony and reception hire includes exclusive use of the architecturally designed venue and grounds for 8 hours, with a ceremony held on lush lawns and 30 white americana chairs for guest seating.

You'll have a signing wine barrel, power access for music or amplification, and a built-in bar with glassware. A wishing well, gift, and cake table are provided, along with on-site parking for guests and access for setup and pack-down within an agreed timeframe.

FOOD & BEVERAGE

At Cannibal Creek, couples select a 5-hour beverage package for their guests, served by friendly staff from a fully equipped bar. Starting from \$60 per person (minimum 50 guests), the package includes a range of wines, beers, cider, and non-alcoholic drinks, with options to tailor the selection and add extras like arrival drinks, cocktails, or spirits.

When it comes to food, Cannibal Creek offers a range of wedding menus to suit different tastes and budgets. If the in-house menus aren't the right fit, couples can instead choose from a trusted network of external caterers. This flexibility ensures every couple can create a food and beverage experience that feels just right for their celebration.
